5. All Bid prices must be audited by the Bidder to ensure correctness before the Bid is submitted. The Bidder is solely responsible for the accuracy of information placed on a Bid sheet, including prices. Clerical or mathematical error is insufficient to void a successful Bid but a Bidder may withdraw a sealed Bid prior to opening without a penalty.

6. A Bidder may submit only one (1) Bid response for each specific Bid solicitation unless otherwise authorized in the specifications.

7. All prices submitted by the Bidder to Duchesne County must be guaranteed by the authorized person(s) against any price increase for the time period designated in the Bid specifications, and Duchesne County must be given the benefit of any price decrease occurring during such designated time period.

Contracts may not be assigned or subcontracted and any failure to perform the Contract in accordance with the specifications will constitute a breach of Contract and may result in a Bidder being found to be “non-responsive” in the future. Successful Bidder agrees to not delegate performance obligations and any such delegation of responsibilities is declared void and will not relieve Successful Bidder from liability or performance obligations.

13. In the evaluation of the Bids, any award will be subject to the Bid being: Administratively Compliant – Including all required bonds, insurance, established quality of work and general reputation, financial responsibility, relevant experience, and related criteria.

**B. Right to Reject Bids**

The County reserves the right to reject any or all bids and to waive informalities. No bids will be received after the time set for opening bids.
