DESCRIPTION

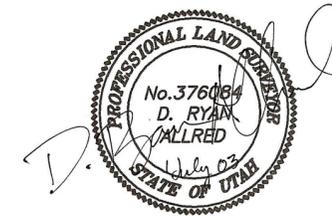

Lot 31A Amendment No. 2 to Cottonwood Creek Subdivision.

NARRATIVE

This survey was done for the purpose of finding and setting the lot corners of Lot 31A that had previously occupied the centerline of Cottonwood Creek. In doing so, it was found that the South Quarter Corner of Section 5 had just recently been re-established by the Duchesne County Surveyor. Said corner was monumented with a 2 1/2" aluminum county monument set in concrete. The lot corners that previously occupied the centerline of the creek were set and it was found that the creek had been re-routed from its natural location. The new location of the creek is shown hereon.
