NARRATIVE

This survey was requested by Mr. Richard Nelson of BAR N BAR, LTD. to determine the location of the existing fence along the south line of the BAR N BAR, LTD property. This is the common line with the Marquette Mitchell property. The controlling section corners were found as indicated on the plat and the boundary fence around the BAR N BAR, LTD property was surveyed from these corners. The south fence has some slight deviation in direction and two angle points were surveyed in to reflect this. This survey was performed using Global Positioning System (G.P.S.) equipment and procedures. The basis of bearings for the survey was determined from WGS84 data.

SURVEYOR'S CERTIFICATE

This is to certify that I have surveyed the right-of-way parcel shown on this plat, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
