

PROPERTY SURVEY FOR
JENNIFER ROOK
 SECTION 9, T1S, R2W, U.S.B.&M.
 DUCHESNE COUNTY, UTAH

NARRATIVE

This survey was performed at the request of Jennifer Rooks for the purpose of marking on the ground the corners of the parcel of land shown on this plot. The property description was provided by the client. The corners around Section 9 were found as shown on this and previous surveys and used to control the locations of the property corners of this parcel. The description provided called for the East and West lines of the parcel to be parallel with the East line of the Section and the South line to be parallel with the North line of the Section. The corners were found and monumented as shown.

SURVEYOR'S CERTIFICATE

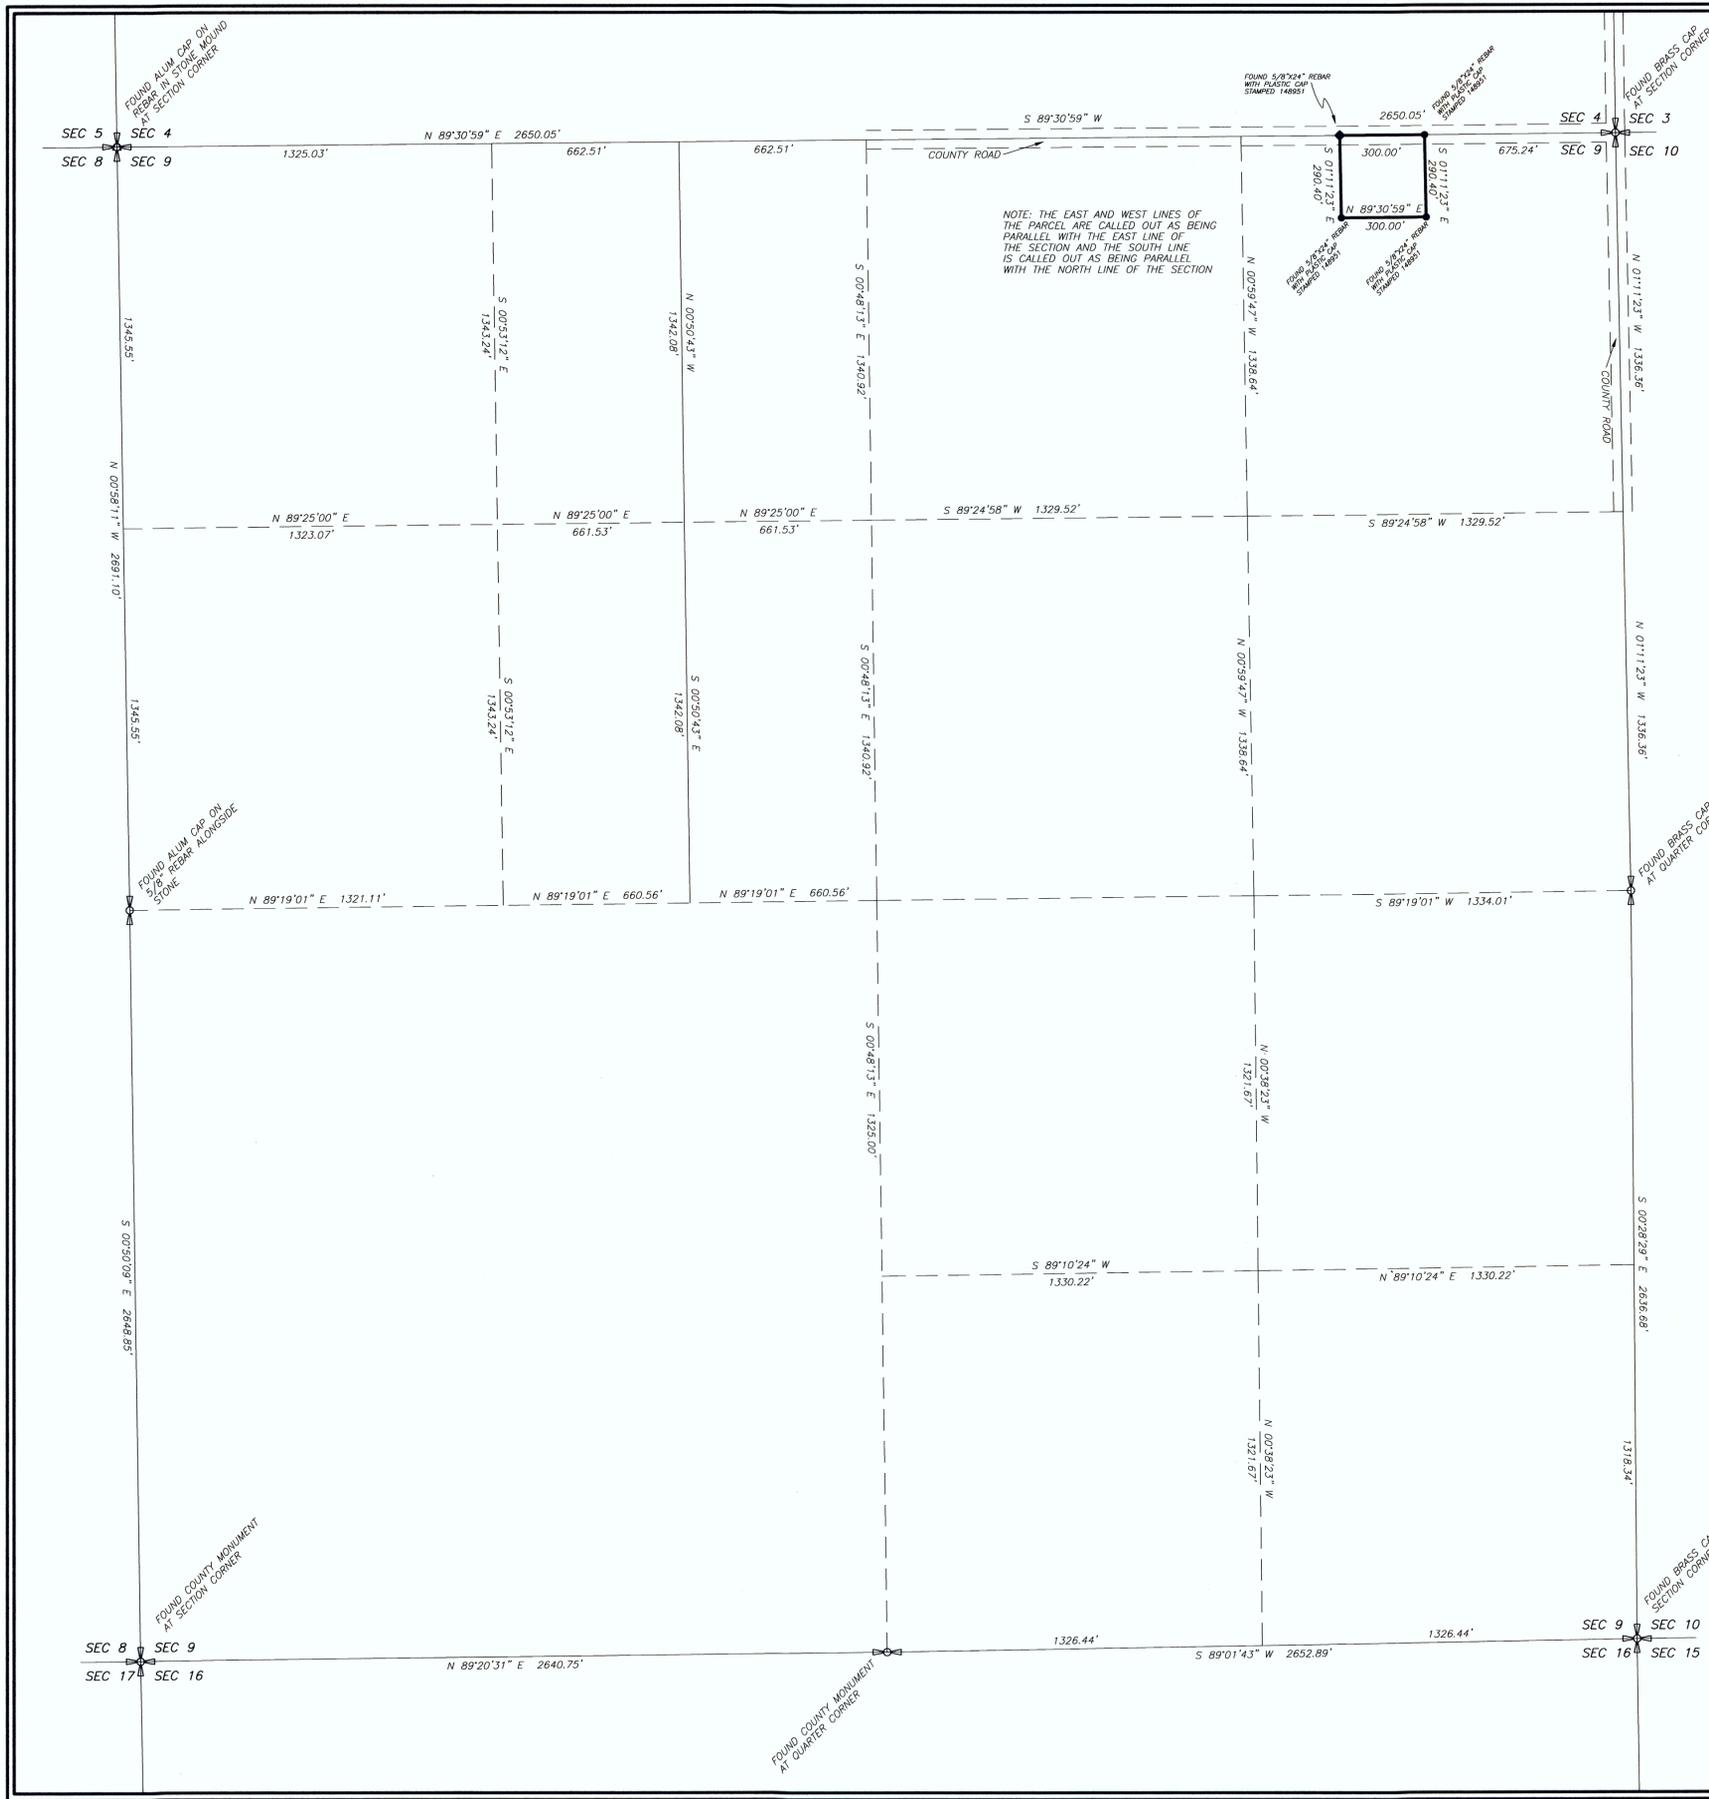

This is to certify that this plot was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcel of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plot accurately represents said survey to the best of my knowledge.
