DUCHESNE COUNTY, UTAH

LAND SURVEY MONUMENT RECORD

DESCRIPTION OF CORNER EVIDENCE FOUND AND ORIGINAL RECORD, (if known).

The Utah State Dept. of Trans. highway plats show that at the time the plats were prepared for State Highway 87 the original stone quarter corner was still in place. The plats referenced the stone to the highway stationing. This information was used to re-set the corner. The position was found to be under a North-South fence line and nearly in line with a fence line going to the West.

DESCRIPTION OF MONUMENT AND ACCESSORIES ESTABLISHED TO PERPETUATE THE ORIGINAL LOCATION OF THIS CORNER.

A 2½" dia. aluminum monument was set at the position of the corner, stamped:
