NARRATIVE

This survey was performed at the request of Rick Myrin in order to adjust the boundary line between Myrin Livestock Co. and Lynn Gilbert to coincide with the existing fence. The existing described boundary lines were rotated to the basis of bearings of this survey and used to prepare new descriptions. The monuments marking the Public Land Survey System corners were found or reestablished as shown and used to control this survey.

SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcels of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
