

RECORD OF SURVEY

FOR

**ROY CASPER and
LORI CASPER**

LOCATED IN THE SOUTHEAST QUARTER
OF SECTION 16, TOWNSHIP 2 SOUTH,
RANGE 5 WEST,
UINTAH SPECIAL MERIDIAN

LEGAL DESCRIPTION:

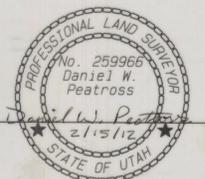

TOWNSHIP 2 SOUTH, RANGE 5 WEST, UINTAH SPECIAL BASE AND MERIDIAN,
SECTION 16: The Northwest quarter of the Southeast quarter, and the
Northwest quarter of the Northeast quarter of the Southeast quarter.
(As recited in that certain Warranty Deed record on July 12, 2001 in
Book A-353, Page 220).

SURVEYOR'S NARRATIVE:

I was contacted by Roy Casper to perform this survey. The scope of the work was simply to monument the property corners and to place some lath along the North property line. My deed research of the current vesting deeds that purport to convey title revealed that the subject and all adjoining parcels are all described by aliquot means. Therefore there are no conflicts in the record with adjoining parcels.

SURVEYOR'S CERTIFICATE:

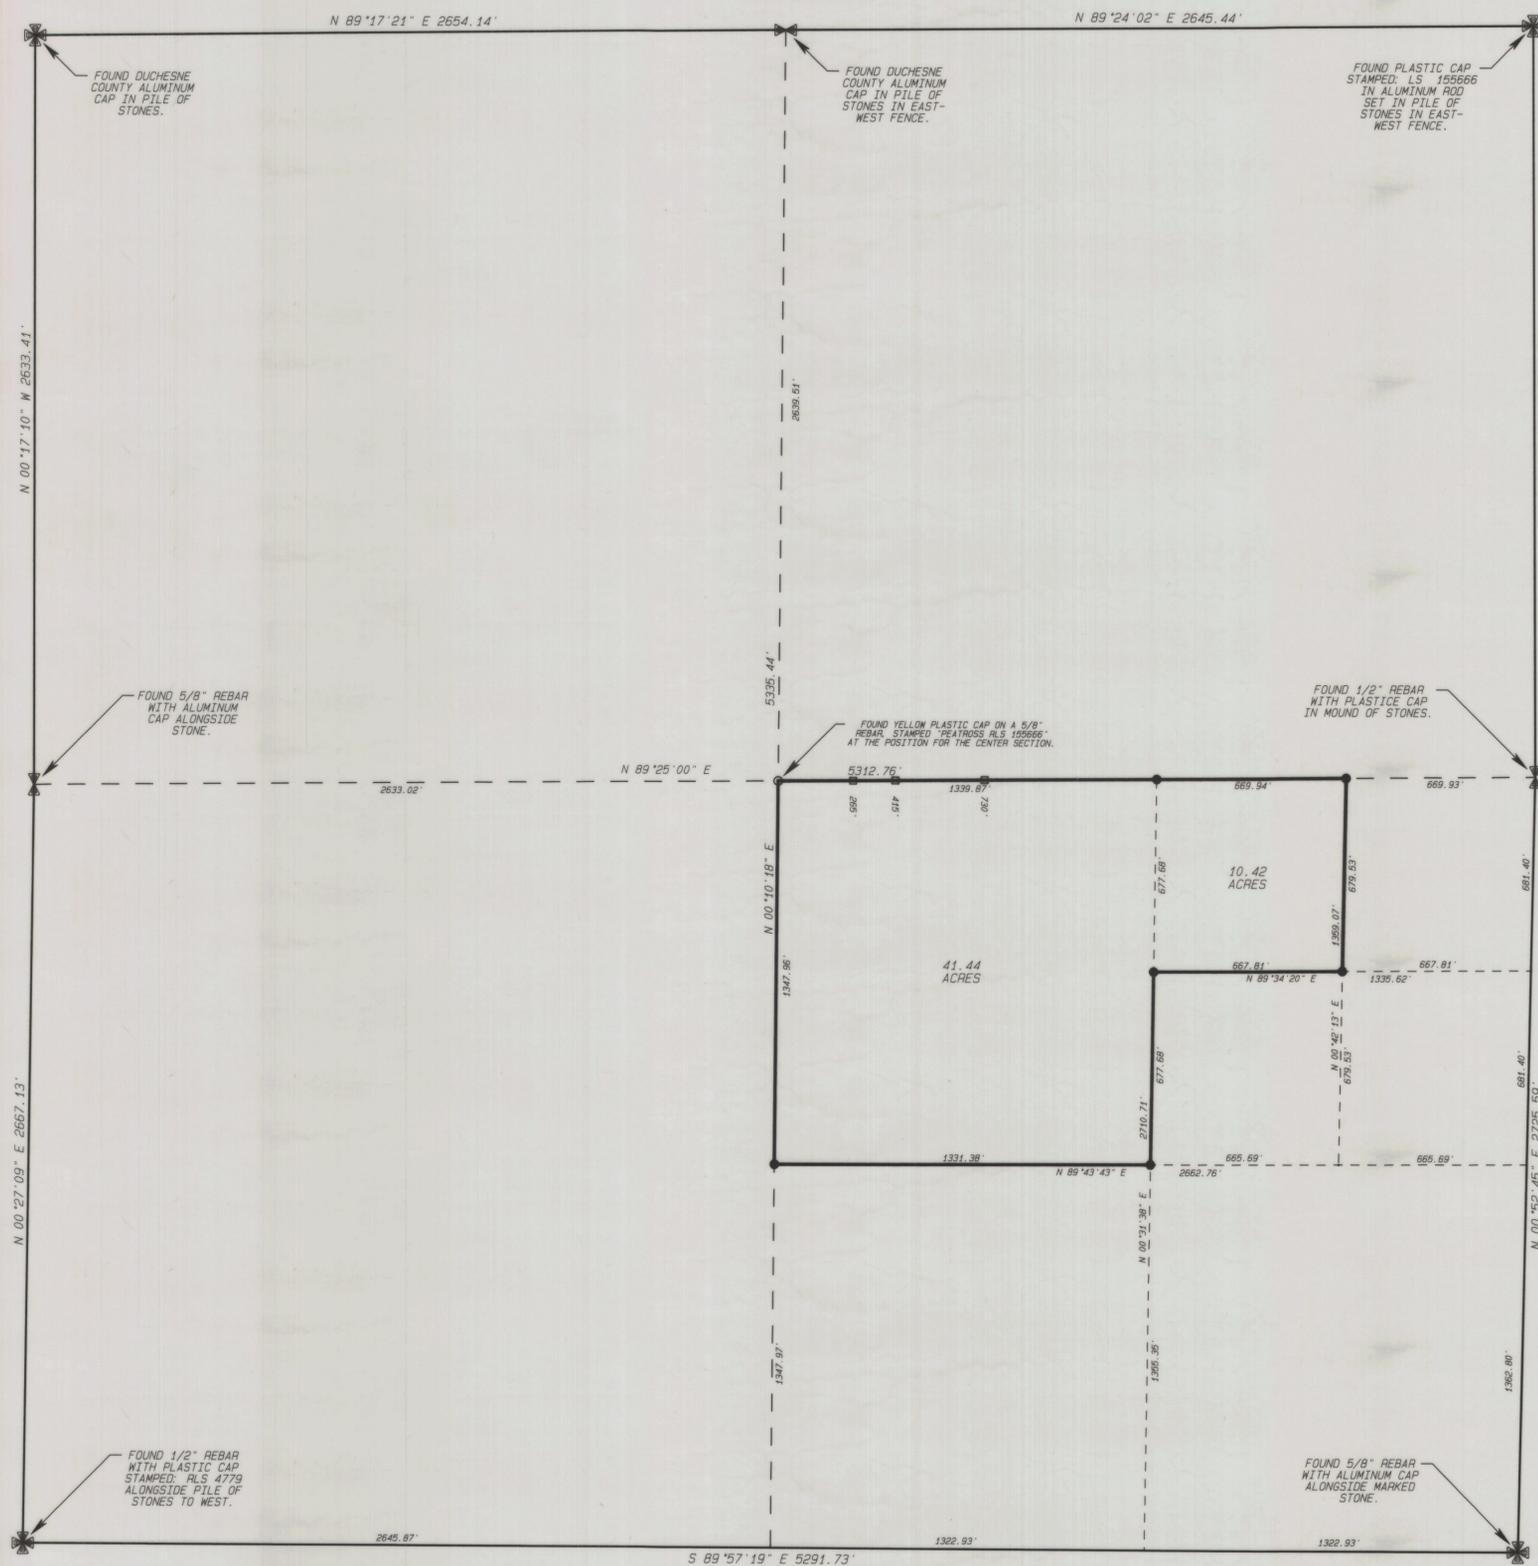

I, Daniel W. Peatross, do hereby certify that I am a Licensed Professional Land Surveyor, and that I hold certificate No. 259966, as prescribed by the laws of the State of Utah. I further certify that I have made a survey of the tract of land as shown on this plat, and that the same is correct and true to the best of my knowledge and belief.
