NARRATIVE

This survey was performed at the request of the Utah Division of Wildlife Resources for the purpose of locating and flagging the boundary lines shown on this plat. The monuments marking the Public Lands Survey System corners were found as indicated and used to control the survey. The "Statutory Method" for the subdivision of sections was used to determine the position of the center quarter corner of Section 16.

SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcels of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
