Chairman Giles opened the meeting at 6:00 P.M.

Mr. Hyde welcomed both committees and thanked them for their service during this review process.

Mr. Hyde reviewed the changes that were made to the draft as a result of the meeting on March 1, 2017 and stated he is still waiting on comments from the BLM and the Forest Service.

Mr. Hyde asked if there were any other comments.

Commissioner Richens was concerned about the wetlands being developed on the lower Duchesne River southeast of Myton and if the plan addresses the need for weed and mosquito control. Mr. Hyde agreed to look at the draft and ensure that those concerns are addressed.

With no other comments, Mr. Hyde stated the final meeting before recommending the plan to the County Commissioners will be on May 3<sup>rd</sup> and will include the Planning Commission and the Public Lands Committee.

The meeting adjourned at 7:15 p.m.
