

- Select **Duchesne County Library** from the drop down box. Enter your entire card number with no spaces and click [Sign In](#).
- **Add your library** by searching for **Duchesne County Library** (again) and click Utah's Online Library, then Sign In. Don't feel like you have messed up! This stage in the process will seem redundant.
- Browse your library's collection and borrow a title (to borrow a title, select **Borrow** (if you have not logged in completely you may be asked to provide your library and card number again.) You have the option to select the length of the checkout period. Once you have made your decision, select **Borrow**. **Remember you can only read your items using Kindle or EPUB eBook!**)
- To place an item on hold, select **Place a Hold**. You will be asked to enter your email address so the library can contact you when your hold is available. Select **Place a Hold**. Your hold will be automatically checked out to you as soon as it is available.
- You can view your account by selecting the menu icon located to the right of the search bar. Select **My Account**: multiple options including loans and holds will drop down.

- From the loan page you can view everything you have checked out. To return a title, simply select the return option located beneath the title you wish to return. You can only renew your loans **3 days before they are due** if another patron does not have the title on hold.

If you have any questions or are experiencing trouble logging in, please contact the staff at your library.

**Borrow digital content today**

Utah's Online Library is a free service offered to library patrons that lets you borrow digital content. You can gain access to Utah's Online Library through OverDrive by using your library card.

**Libby** is a new app by OverDrive and is the easiest way to get started with your digital public library. It comes with a built-in eBook reader and audiobook player, so there's no need to clutter your device with multiple apps. It is available for Android, iOS, Windows 10, and some Chromebooks.

#### To use Libby:

- Install the free Libby app from your device's app store.
- In Libby, follow the prompts to find your library and sign in with a valid library card.
  - The app will ask if you have a library card. Tap **Yes**.
  - Next, find your library. You can manually search for **Duchesne County Library** or Libby can find it for you.
  - You now have the option to stream your loans to your Kindle or contain your reading to Libby.

You can easily change this preference later.

- To link your library card, tap **Sign In With My Library Card**.
- Select your library from the list and enter your card number with no spaces (located on the back of your library card.) Tap **Sign In**.
- Tap **Enter the Library**.
- Browse your library's collection and borrow a title (to borrow a title, simply tap **Borrow** and select which card you would like to place the loan on and tap **Borrow** again. If there is a waiting list for the item, follow the same procedure by tapping **Place Hold**. Your hold will be automatically checked out to you as soon as it is available.)
- Borrowed titles appear on your **Shelf** and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

From your **Shelf**, you can:

- Tap **Open** to start reading or listening to a title.
- Tap **Manage Loan** to see options like **Renew**, **Return**, or **Send to Device** to send a book to Kindle.
- View your **Holds**, **Tags**, and **Activity**.

- To add/manage a library or library card, tap the **Libby Icon** located in the top right corner of your screen. This icon will also display any additional information or help you may need with the app.
