Mr. Hyde opened the combined meeting and welcomed everyone in attendance and explained there will be a presentation by Jason Blankenagle, Sunrise Engineering, regarding the Duchesne County Trails Master Plan. He encouraged any comments or concerns from the Commission and Committee members as to potential walking trail, sidewalks, bridges and mountain biking trail projects to be included in the plan.

Jason Blankenagle stated this project is partially funded by the State of Utah Department of Transportation and the Duchesne County Special Service District # 2. Potential trail projects in all areas of the county were displayed and discussed.

After the presentation members of both the Planning Commission and Public Land Committee, Mr. Hyde and Jason discussed the potential projects in their areas of the county.

Mr. Hyde stated that the final draft would come back to the Planning Commission later for a public hearing and a recommendation to the County Commissioners to amend the general plan.
